

YOUR FEEDBACK IS IMPORTANT TO US

Bairnsdale Regional Health Service is committed to providing a consumer focused health service and recognizes the value of feedback from patients, clients, carers or visitors as a source of information to support service improvement. If you are happy with our service, or have a suggestion or complaint, please talk to one of our staff or fill in this form. If you would like to speak to a manager this can be arranged—please ask any member of staff.

All complaints are investigated and reported to the Board of Management and the Community Advisory Committee. If you would like us to respond to you, please provide your contact details on this form. If you wish to remain anonymous, any issues you raise will still be fully investigated.

If you need help or are unable to fill in this form please speak to a staff member and they will help you.

Lodging a complaint will not impact on any future care or treatment you receive from our service.

TO REVIEW YOUR COMPLAINT

The Chief Executive Officer will:

- Acknowledge in writing, to you, that the complaint has been received.
- Refer the complaint to the relevant manager for investigation and follow up.
